Remarks

1. This Amendment is responsive to the Office Action dated October 11, 2006. Claims 1-3 remain for consideration.

Claims 1-3 are rejected as indefinite. Claim 1 has been amended to overcome each of the difficulties with "ends" and "surfaces". The term "at least one pin" has been substituted for "pins" on original line 11 (present line 9). The word "the" is cancelled before "edges". Claim 2 is amended to conform to claim 1. Claim 3 is amended to conform to claim 1 as amended. This amendment conforms to the Office Action. Therefore, examination of amended claims 1-3 and allowance thereof is respectfully requested.

To save the Examiner considerable time when this case is taken up, a short phone call is recommended should any issue herein still be unresolved. A few minutes on the phone could clarify a point, or result in a supplemental response which would further limit or dispose of issues. A five minute phone call can save the Examiner a lot of work. Such a phone call would be deeply appreciated.

Respectfully submitted,

M. P. Williams

Attorney of Record
